

Management Liability Insurance for Affinity and Program Business

*In order to best serve your client base, we encourage you to consider **ELD Canada** for the placement of your affinity and program business.*

ELD Canada has been protecting business leaders in a variety of organizations and corporations for over a decade. Our Management Liability Products are among the best in the industry, thanks to the contributions of our insurance experts.

We can support your efforts to secure program placements with any of our product offerings. We impose no size restriction on premium volume. Our current affinity production sources range from \$50K to \$3mm in annual premium, a range that illustrates our flexibility and broad appetite for this business.

Our specialized coverage protects affinity groups that include:

- Humane societies
- Province-wide associations
- Arts foundations
- Assorted sports clubs
- Restaurants
- Small high-tech companies
- Motor clubs
- Outdoor activities clubs
- Condo associations
- Charitable organizations
- Non-profit foundations
- Trade associations

Two year policies, preferred premiums, minimal retentions, customized coverage enhancements, and shared marketing support are available for program business. Please visit ELDCanada.com or contact our underwriting team to learn more about the availability of these coverage features for your program.
